NSK6580B

NEW SOLUTION SERIES

The ultimate in quiet versatility

It is actually possible to get a case that combines versatility, capacity, quietness and 80 PLUS® Certified power. The NSK6580B combines ease-of-use features like a removable 3.5" HDD cage that holds 5 removable trays with Quiet Computing™ technology and a 80 PLUS® Certified EarthWatts 430 Watt power supply with universal input and active PFC. Indirect front bezel vents and silicone grommets for the hard drives minimize noise while the crisp, understated styling makes the NSK6580B an attractive addition to your office.
